A CARD TO THE PUBLIC.-I do not sell any goods 20 per cent. below cost, or even at cost, but I offer my first class stock of clothing, furnish ing goods, boots and shoes, bats and caps, trunks and valises, etc., etc., which have been bought for cash, at the lowest market rates. Therefore I wish the public to post themselves on my prices before going to the humbug ahops where they are always dramming into the ear that they are selling at cost, or below cost. They either bought upsalable goods or they lie to decrive the public; they don't deserve to be patronized. # Tom. Pitch and Arizona.

Gen. Jno. B. Winters was in town on Sonday, having just returned from a trip to Arizon. He likes that country very well, being exceedingly well pleased with the mines in Brad. Friday evening at 81/4 o'clock, Noshaw district. Prescott, he says, is a vember 19th, 1878. All the late town 5,300 feet above the level of the dances taught. Tuition, \$3 for four sea, with a population of 2,000. There lessons, in advance. dition of this county for 1878. We Tom Fitch is practicing law, and has a large and lucrative practice. At the late election Tom was elected a member of the Legislature. They manage things very nicely at Prescott. The leading men of both parties get together and nominate a ticket, and that ticket is generally elected without opposition. So it was in Tom's case. He was telling Winters about it, and wound up by remarking, "The last time I ran for office in Nevada my assessment was \$1,000; this time it was just six dollars and forty cents." One of these days, when Arizona gets to be a State. Gen. Winters believes Tom Fitch will be a U. S. Senator.

# Violent Case,

Last Sunday night a man was put in the county jail, who is either violently crazy or has a fearful attack of delirium tremens. Since his imprisonment he has been confined to a est of rage with a bottle in his hand. The Deputy Sheriff runs great risks every time he offers him food.

The papers in the contest made by A. K Lamo against W. A. Walker for the office of Sheriff of Washoe county, have been made out and presented. The case will be heard on the 27th.

Cattle Corral.

The Sneanville Advocate says that at Chamberlin's Station in Long Valley, Reuben Chamberlin is building a large corral where he can ac commodate cattle when on the road for Reno. Ii will be large and high and strong enough to hold wild cattle mafely, and will no doubt be well patronized by the numerous drovers who take stock to market from Honey Like Valley.

#### Quick Work.

It didn't take Charlie Richardson more than a minute to resign yesterday, for Bowker to be appointed Justice in his stead, and back in the court room, and to go shead and try the case set for 2 o'clock. Bowker looked natural in the old place.

#### Musonic Officers.

Reno Lodge, No 13, F. & A. M. has elected the following officers for the ensuing year: Chas. Kanst, Worshipful Master; G H Fogg, Senior Warden; Allen C. Bragg. Junior Warden; T. K. Hymers, Treasurer; W. A. Walker, Secretary.

#### The Weather Below,

It rained in Secremento and San Francisco yesterday; some snow fell in the Sierra Nevada, and around Truckee, but toward evening the storm had ceased, and the indications were favorable for plessant weather

During the past six months the county has not received one quarter ALWAYS IN SEASON, of a dollar from fines from any Justice Court in the county; from the District Court there has been received \$35.

A FIRE was raging in the mountains last evening. As near as could be ascertained it was below the mills in the loose limbs lying on the W. A. Walker, Sheriff, bonds \$25. ground. When it reaches the snow

The carelessness of the drover caused thirty two sheep to be run over and killed up in the deep cut this side of Mayberry's, last Saturday evening. They belonged to Mr. Masterson.

YESTERDAY was one of the most disagreeable days we ever saw in Reno The wind was fierce and cold, the dust thick and continuous. No doubt there is a storm in the immediate future.

STOCKS were strong after the Board yesterday afternoon. Sierra Nevada was 52 and Union 521; the others firm in proportion,

TEAMING is brisk now on the road to Susauville, and the teamsters are improving this delightful weather to the best advantage.

LAST week Nick Kearns sold to Dr. Patterson of Cedarville his half in the stage line running between Reno and Camp Bidwell.

An assessment of 20 cents per share has been levied on Belvidere (Bodie).
